COMPLIANCE REPORT

AREA: III - CURRICULUM

AACCUP Recommendations	Action Taken by Host/Program	Percentage of Compliance	Proof/Evidence
1. Faculty members may conduct simulation activities that may be used in actual workplace settings.	- The faculty identified key workplace competencies and integrated corresponding simulation activities into the course syllabus. - The faculty facilitated hands-on sessions where students applied theoretical knowledge to actual workplace settings.	100%	https://drive.google.com/drive/folders/10YJ4NL2gf2zYg8v7EjipNSwZozvl_DOQ?usp=sharing
2. More reading materials and references may be included in the syllabi.	- The faculty conducted a review of current literature, textbooks, and other relevant references to the course subjects. - New references and reading materials were formally added to the course syllabi. - Updated syllabi were disseminated to students.	100%	https://drive.google.com/drive/folders/1157GmJFGQM8Gpj8KZiNuK0W76z-z45Bq?usp=sharing
3. Faculty members may set up an online reposting for required readings through generated shareable links.	- The faculty organized and digitized all required course readings and reference materials for easy online access. - Generated and distributed specific shareable links with appropriate access permissions to ensure students could view or download materials. - The faculty established Google Classroom sections as a structured repository where	100%	https://drive.google.com/drive/folders/1-D4rDU0WEWFfprdcqWnvFdiDiajEgN7C?usp=sharing

	readings are categorized by module or topic.		
4. Various teaching methodologies may be employed for better appreciation of the course program.	- The faculty evaluated existing teaching strategies to identify opportunities for more interactive and student-centered approaches. - Updated the course syllabi to include diverse methodologies - Monitored student performance and feedback to ensure the new methodologies enhanced their appreciation and understanding of the program.	100%	https://drive.google.com/drive/folders/1YmKjgNH12Z9DWkcWiFKrIO08_KVcxP8X?usp=sharing
5. Thesis and other scholarly works of the students may be copyrighted as well as innovations be patented through the assistance of the Intellectual Property Office.	- Faculty mentors conducted briefings to inform students about the importance of protecting their thesis and scholarly innovations. - Students compiled the necessary technical descriptions, manuscripts, and application forms required for intellectual property filing. - Students formally submitted their research works for copyright application at the PUP Intellectual Property Management Office (IPMO).	100%	https://drive.google.com/drive/folders/103D1N5mwsUtWQk_JhZg2df8otFHg4-nu?usp=sharing
6. The faculty members may consider joining Marketing Associations in the Philippines and other international organizations for individual membership. The institution may join the Association of Schools of Marketing in the Philippines and abroad for professional growth and development of the program.	- Faculty members explored and applied for individual memberships in professional business organizations and allied industry associations. - Faculty participated in forums hosted by these organizations to gain broader business perspectives.	100%	https://drive.google.com/drive/folders/1UGj64_ju5jvllnBH2AiedWauT5l6s9Dr?usp=sharing
7. Students with special needs may be assisted or accommodated through specific measures to address their concerns.	- The administration conducted a physical audit of the campus to identify barriers for students' special needs. - Installed accessibility features, such as building ramps and wider doorways, to	100%	

	ensure a barrier-free environment for all students. • Provided specialized classroom equipment, such as left-handed armchairs to accommodate diverse physical requirements. • Established specific institutional measures and guidelines to address the unique academic and personal concerns of students with special needs.		https://drive.google.com/drive/folders/11ClaLha-QP6Kmx3RfFuxZOrVKUfIdMTH?usp=sharing
8. Coaching and mentoring may be conducted and documented as proof of intervention measures done because of the performance evaluation.	• The Academic Head analyzed the results of the performance evaluation to identify specific areas requiring professional support. • Organized formal coaching and mentoring meetings between the Academic Head and individual faculty members based on their evaluation scores. • The Academic Head provided direct guidance, shared best practices, and offered technical support to improve the faculty's performance.	100%	https://drive.google.com/drive/folders/17MvEwQDDrdRJziCnzblvf2xIOO5PUVAg?usp=sharing
