AREA: IV – SUPPORT TO STUDENTS

AACCUP Recommendations	Action Taken by Host/Program	Percentage of Compliance	Proof/Evidence
1. It is suggested that all activities of BSBA students aligned to their field be strengthened and properly documented.	- The program mapped student-led activities and events against the BSBA curriculum to ensure direct relevance to the field of marketing and business. - Students organized and participated in field-aligned events, business expos, and industry seminars. - The program reviewed all submissions and filed them as official proof of student engagement and competency.	100%	https://drive.google.com/drive/folders/19FRCDazxAX1GCPTGgImxtPhP2sBNc-v?usp=sharing
2. It is suggested that a research-based evaluation of the Office of the Student Affairs and Services be conducted.	- Research-based evaluation of the Office of the Student Affairs and Services was conducted. - The Office of Student Affairs and Services conducted a research study titled “Awareness, Availment and Satisfaction of the Student Services in the Polytechnic University of the Philippines, Lopez, Quezon Campus. - The results prompted to come up with a Policy Brief titled “Student Services Enhancement and Responsiveness Policy (SSERP) for the Polytechnic University of the Philippines – Lopez, Quezon Campus”.	100%	https://drive.google.com/drive/folders/18hVew6NE1goNJBVC9-lwSzqcEjkPjm77?usp=sharing
3. The University may consider purchasing additional sports and cultural equipment and materials.	- The program conducted an inventory to identify specific sports and cultural equipment required for student development and extracurricular activities. - The program then drafted and submitted a formal letter to the University administration requesting the purchase of the identified materials.	100%	https://drive.google.com/drive/folders/1rQ1k1pva_RjsR7Mt469uyukx4r3h_G1L?usp=sharing

	The institution facilitated the actual purchase of the equipment and were officially recorded in the inventory and turned over to the program for student use.		
4. Encourage students to become active members in different Regional, National, and International Student Organizations.	- Program advisers conducted orientation sessions to introduce students to various regional, national, and international organizations, such as the Philippine Junior Marketing Association (PJMA). - The department's student organization prepared and submitted formal applications for institutional affiliation. - The students began participating in the mother organization's events, gaining access to wider networking and professional development opportunities.	100%	https://drive.google.com/drive/folders/18U13ikt-stjUxNmmKeNgmenN4fA3lVuU?usp=sharing
5. The OSAS and the Business Administration Department may identify and conduct activities that would equip the necessary skills of the BSBA-MM students.	- OSAS and the BSBAMM students identified and conducted activities that would equip the necessary skills of the BSBAMM students. - One of the activities organized by OSAS is the Leadership Training Workshop for the students, which will equip them with strategic and transformative leadership, financial and communication skills. They also attended a seminar on road safety. - Another seminar they attended was the entrepreneurship/business seminar in which BSBAMM alumni served as resource speakers so that they would be inspired on their journey. - Selected BSBAMM students were part of the STEP-UP Project of Cong. Atty. Mike Tan and Gov. Helen Tan. They attended several training sessions on how they will establish their business, down to packaging, labeling and marketing. Through that, they were also given a start-up kit for their business.	100%	https://drive.google.com/drive/folders/1RsziFYnn26ta9uGQoKO2Xr8tG6aa0pD?usp=sharing
6. The OSAS may provide an established mechanism to forge partnerships and collaborations with other institutions,	OSAS provided an established mechanism to forge partnerships and collaboration with other institutions, agencies, and industries.	100%	https://drive.google.com/drive/folders/1CO0k1EQ7AAXBIXt3HQPkZlbySPVnEmgC?usp=sharing

agencies, and industries.			
7. The OSAS may provide evidence showing that the institution undertakes active networking with other schools, businesses, communities, alumni, and other concerned agencies for the career and job placement of students.	- OSAS provided evidence showing that the institution undertakes active networking with other schools, businesses, communities, alumni, and other concerned agencies for the career and job placement of students. - Job fair/career fest is conducted yearly, and several agencies/companies are there to cater for job placement of students. The job postings are also religiously posted on the FB page of Student Affairs and Services.	100%	https://drive.google.com/drive/folders/1gnMcnmm8_DrWPXaiAUjsurtxyMXQmch8?usp=sharing
8. It is strongly suggested that the benchmark statements be provided with appropriate documents to ensure the completion of needed files. 9. The administration may consider hiring an additional Registered Guidance Counselor to satisfy the prescribed Guidance Counselor to Student ratio of 1:1000. Each of these guidance counselors should be provided with equally qualified staff. Furthermore, there is a need to provide a spacious guidance and counseling room with a welcoming counseling	- The request has been submitted to PUP Main for appropriate action but unfortunately, due to lack of a plantilla item and budget, no additional Guidance Counselor has been hired by the University. - As of now, we have 1 Registered Guidance Counselor and 1 Guidance advocate.	90%	https://drive.google.com/file/d/1ahuiogqOx7IBOO1TnPcxhghhh8z67R4S/view?usp=sharing
